

Technical Data Sheet

CanvasTac Silver #343-S

CanvasTac Silver is a peel and stick canvas fabric that has a silver metallic finish. The material is removable and repositionable. CanvasTac Silver is used for wallcoverings, wall murals and POP Signage. Our high-quality microsphere adhesive will not peel off paint, damage your walls or leave residue behind when removed. CanvasTac Silver can be easily contour cut without any fraying. The product is easy to install and handle and will look great with any print or design.
